

Wee Friends

Braille Scale product list 2018 (1/72nd & 1/76th scale)

Notes:

The 1st two numbers of the kit number indicates the scale of the model.

WM = white metal kit

Res = resin kit

MM = multimedia kit, incl. resin and white metal parts, some also incl. photo etched parts

The 4th column of the figure sets indicates the amount of figures in the set.

For all armour and accessory sets:

Air = kits designed to be used with Airfix base kits

DML = kits designed to be used with Dragon Models Ltd base kits

E/I = kits designed to be used with Esci / Italeri base kits

Rev = kits designed to be used with Revell base kits

Tru = kits designed to be used with Trumpeter base kits

Oth = kits designed for a specific kit, see title of the kit

Gen = Generic set can be used with kits from various brands

FK = full kit
